DOCK PILING ANCHORING SYSTEM

ASTRO PLASTICS

INCREASE LIFT  
RESISTANCE UP TO

Your ultimate  
protection from  
piling lift  
during storm surge.

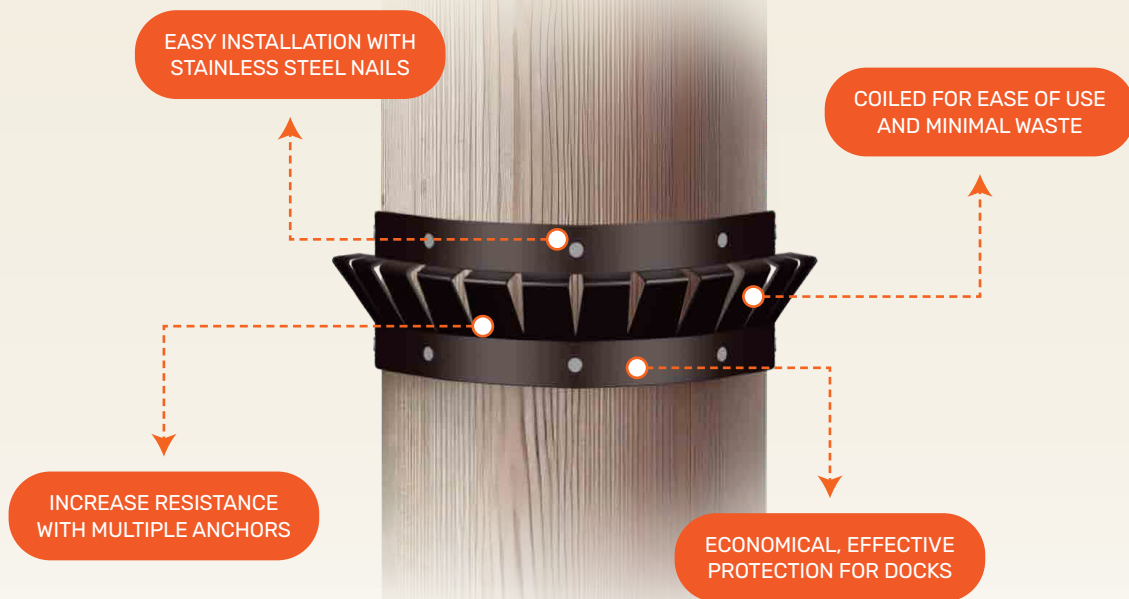

PATENT PENDING

# ASTROanchor

When storm surge causes piling lift, the damage to both commercial marina docks and residential boat docks can be catastrophic. AstroAnchor Dock Piling Anchoring System is the simple, cost-effective way to increase resistance to piling lift and potentially save thousands of dollars in dock repairs.
